Positive Responses for *Design Ticket*

Requests are not color coded as they are not Dig Notices

201 DESIGN-NO FACILITIES- No Facilities in area as described in the scope of excavation

202 DESIGN-TASK COMPLETED- Facility owner operator sent record drawings to designer

203 DESIGN-MARKING REQUIRED- As defined in Public Act 174 Section 6a paragraph (3)

(3) The response to a design ticket is to provide general information regarding the location of underground facilities, not to mark any facilities. However, if a facility owner or operator does not have drawings or records that show the location of a facility, the facility owner or operator shall mark that facility under the procedures described in section 7. A design ticket or information provided in response to a design ticket does not satisfy the requirement under this act for excavation or blasting notice to the notification system or marking the approximate location of facilities for blasting or excavation.
