

Facility Owner/Operator Additional Stations

This document contains information necessary for MISS DIG 811 to add stations to your membership. If, while completing this document, you have any questions, please contact the MISS DIG 811 Member Services Department at 800-482-7161 or by email at membersupport@missdig811.org.

Stations represent your facilities. There will be a minimum of one station for each facility you have underground. If you desire to break a facility up into multiple station codes, please let the Member Services Department know. Additionally, if you require more than four additional stations, email us or provide a supplemental sheet of additional stations. A list of all facility types available can be found at https://www.missdig811.org/cm/dpl/downloads/content/3748/MISS_DIG_811_Facility_Types_Available.pdf
