Happy New Year! Now is the perfect time to review the contact information for your stations. Remember, the *Member Contact* phone number is provided to excavators through each ticket confirmation sheet, and it's important that they be able to reach the appropriate party for locate and/or Positive Response questions. With Member Admin/+ or Member Full/+ accounts, users can make updates to contact information directly by logging into DPP. You can also click the button below to access

the *Member Service Support Form*, and we'll be happy to complete any updates for you.
