

Pelican Sprint Updates

Pelican sprints 4-5 will be deployed overnight, Wednesday, April 26, 2023.

MISS DIG 811 members will be impacted by the following system improvements to OneCallAccess and DamagePreventionPortal:

Impacts to OCA

No changes to OCA.

Impacts to DPP

The Dashboards>>Overview data discrepancy has been corrected. The "Tickets by Medium" count and graph have also been removed.

The [Enter] key was not executing the search in Explore Your Data; this has been corrected.

As always, if you see any issues or have feedback for improvement to the platforms, please let MISS DIG 811 know.

Let's build a MISS DIG 811 for everyone!

These updates will occur overnight on Wednesday, April 26, 2023.
